

Summary of Benefits and Coverage (SBC)

The Annual Enrollment period for Medical Plan enrollment is **November 1 – December 15**. During this period, you have the option to select the Medical PPO Plan (using the Premera PPO network) or the Kaiser Permanente of Washington Plan if you live in a Kaiser service area. When you are ready to complete Annual Enrollment, **Login** to www.nwadmin.com and select **Enrollment** on the left side of the page.

This document contains both the Medical PPO SBC and Kaiser SBC. **If you do not live in a Kaiser service area, please disregard the Kaiser SBC**, you will be defaulted into the Medical PPO Plan. See below link to the Kaiser service area zip code listing to check if you are in the Kaiser service area. If you wish to change plans and miss the December 15 deadline, you will not be able to change medical plans until Annual Enrollment the fall of next year, but you must still re-enroll for medical coverage to avoid any delays on medical claim processing. | <p>What is the overall deductible?</p> | <p>\$300 individual / \$900 family. Goes to \$200 individual / \$600 family if you complete the Health Assessment, \$400 individual / \$1,200 family if you don't.</p> | <p>You must pay all the costs up to the deductible amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the deductible starts over (usually, but not always, January 1st). See the chart starting on page 3 for how much you pay for covered services after you meet the deductible.</p> |
| <p>Are there services covered before you meet your deductible?</p> | <p>Yes. The deductible does not apply to in-network preventive care, office visits, prescription drugs, obesity programs.</p> | <p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.</p> |

In addition, an ACA mandated limit for in-network prescription drugs of \$4,200 individual / \$8,400 family and in-network medical of \$5,000 individual / \$10,000 family.</p> | <p>The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.</p> |
| <p>What is not included in the out-of-pocket limit?</p> | <p>Not included in the medical \$2,500 individual / \$5,000 family coinsurance limit are premiums, deductibles, co-pays, non-covered charges and obesity care. Not included in the ACA mandated limit for in-network prescriptions and in-network medical are premiums, out-of-network and non-covered charges and obesity care.</p> | <p>Even though you pay these expenses, they don't count toward the out-of-pocket limit.</p> |
