WASHINGTON TEAMSTERS WELFARE TRUST

Summary of Benefits and Coverage (SBC)

The Annual Enrollment period for Medical Plan enrollment is **November 1 – December 15.** During this period, you have the option to select the Medical PPO Plan (using the Premera PPO network) or the Kaiser Permanente of Washington Plan if you live in a Kaiser service area. When you are ready to complete Annual Enrollment, **Login** to www.nwadmin.com and select **Annual Enrollment** on the left side of the page.

This document contains both the Medical PPO SBC and Kaiser SBC. **If you do not live in a Kaiser service area, please disregard the Kaiser SBC,** you will be defaulted into the Medical PPO Plan. See below link to the Kaiser service area zip code listing to check if you are in the Kaiser service area. If you wish to change plans and miss the December 15 deadline, you will not be able to change medical plans until Annual Enrollment the fall of next year, but you must still re-enroll for medical coverage to avoid any delays on medical claim processing. The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.wateamsters.com or call **1-800-458-3053**. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary or call 1-800-458-3053 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$0** individual / **$0** family	You must pay all the costs up to the **deductible** amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the **deductible** starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the **deductible**.
Are there services covered before you meet your deductible?	**No.**	The chart starting on page 2 describes any limits on what the plan will pay for *specific* covered services, such as office visits.
Are there other deductibles for specific services?	Yes. **$100** per family for durable medical equipment and supplies. **$25** per visit to ER in a non-PPO hospital.	You must pay all of the costs for these services up to the specific **deductible** amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For medical benefits it is **$500** per family. Goes to $400 if you complete the Health Assessment, $600 if you do not.	The **out-of-pocket limit** is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.
What is not included in the out-of-pocket limit?	Premiums, deductibles, co-pays, non-covered charges, prescriptions, and obesity care.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See www.wateamsters.com and select Premera BlueCard Network Directory **or call 1-800-810-2583** for a list of participating providers. Be sure to reference the alpha prefix **TMP**. For prescription drugs see www.medimpact.com **or call 1-800-788-2949**.	If you use an in-network doctor or other health care **provider**, this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network **provider** for some services. Plans use the term in-network, **preferred**, or participating for **providers** in their **network**. See the chart starting on page 2 for how this plan pays different kinds of **providers**.
Do you need a referral to see a specialist?	No. You don't need a referral to see a specialist.	You can see the **specialist** you choose without permission from this plan.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	**$200** individual/**$600** family. Goes to $100 individual/$300 family if you complete the Health Assessment, $300 individual/$900 family if you don't. Shared in and out-of-network.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care and services indicated in chart starting on page 2.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	**$1,500** individual/**$4,500** family shared in and out-of-network limit. There is also an ACA in-network limit of **$9,450** individual/**$18,900** family. Shared in and out-of-network	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover, and services indicated in chart starting on page 2.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See www.kp.org or call 1-888-901-4636 (TTY: 711) for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes, but you may self-refer to certain specialists.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
